Dear Tom Abendroth,

We just received your generous gift, and we thank you for your loyal support of the Alzheimer's Association. On behalf of the more than 5 million Americans living with Alzheimer's disease and their over 15 million caregivers, we offer our sincere gratitude for your continued commitment.

Your gift will help to provide vital care and support programs for people affected by Alzheimer's and advance critical research aimed at finding methods of treatment, prevention and, ultimately, a cure for this devastating disease.

With the help of generous donors like you, we will continue in our mission to eliminate Alzheimer's disease through the advancement of research; to provide and enhance care and support for all affected; and to reduce the risk of dementia through the promotion of brain health. Please know there are many of us in this fight — passionate supporters like you are united with the staff and volunteers of the Alzheimer's Association through our shared commitment to ending this disease.

Thank you so much for your donation and for being a part of the Alzheimer's Association family. Our vision is a world without Alzheimer's disease. Your support is bringing us closer. Please accept our heartfelt thanks for your continued support and compassion.

Sincerely,

Laurie Schill
Executive Director
